

Opening & Plenary Lectures

6th May, 2017 Functional Hall, HICEC, Haikou, China			
08:30-09:30 Open Ceremony			
Chair	Jin-Ming Lin , Tsinghua University, China Secretary General of the Mass Analysis Committee, Chinese Chemical Society		
Welcome Address	08:30-08:40	Erkang Wang , Changchun Institute of Applied Chemistry, CAS Honorary Chairman of ICAS2017, International Advisory Board of IUPAC International Congress on Analytical Science	
	08:40-08:50	Xiurong Yang , Changchun Institute of Applied Chemistry, CAS Chair of the Analytical Chemistry Committee, Chinese Chemical Society	
	08:50-08:55	Qinghua Fan , Secretary General of Chinese Chemical Society	
	08:55-09:00	Shiwen Sun , Vice Mayor of the Haikou Municipal People's Government	
Opening Performances	09:00-09:20	Hainan Normal University	
09:30-12:10 Plenary Lectures			
Chairs	Hongyuan Chen , Nanjing University, China		
	Li-Jun Wan , Institute of Chemistry, CAS & University of Science and Technology of China, China		
PL-1	09:30-10:10	Takehiko Kitamori	Extended Nanofluidics as a Promising Platform for Single Cell Single Molecule Analysis
PL-2	10:10-10:50	Benzhong Tang	Wonder Science of AIE, Advanced Tools Based AIEgens
PL-3	10:50-11:30	Aldo Roda	A general presentation of the use of smartphone as portable analytical device covering the most actual concept and applications
PL-4	11:30-12:10	Xinrong Zhang	Mass Spectrometry-Based Single-Cell Analysis: A New Frontier in Metabolomics
